**Meredith Brower '01** Dr. Brower is a **Reproductive Endocrinology and Infertility Specialist**. She provides comprehensive care in the area of reproductive medicine and infertility. Her areas of expertise include infertility, in vitro fertilization, fertility preservation, oocyte cryopreservation, recurrent pregnancy loss and PCOS.

**Carí Jackson Lewis '88** is an **estate planning attorney** with Terri Hilliard PC in Westlake Village, CA, and whose practice includes trusts and estates, elder- and special-needs law and nonprofit management.

**Stacy D. Phillips '80, Certified Family Law Specialist**, is a partner in the Los Angeles office of Blank Rome LLP. Ms. Phillips represents a wide variety of high net worth and high profile clients as they undergo the significant and often difficult changes involved in divorce and custody issues. She is also involved at a leadership level in many philanthropic endeavors, including the Firm's Adopt-A-Center Program.

**Robyn Thomas** practices **employment law**. After spending nearly a decade at Google, Robyn Thomas joined Snapchat in May 2015 as its employment counsel and was shortly promoted to its VP of Legal and HR.

**Lindsay Wilcox '94, MBA '04** joined Goldman Sachs in 2004 as a **Private Wealth Advisor** in the firm's Los Angeles office. Lindsay's team provides strategic financial advice to high net worth families and foundations, managing \$3B in total assets.

They'll share their expertise and discuss a wide range of topics focussing on what you should know about each of these fields as you plan ahead.

Special thanks to Hilary Richards '92 for hosting us!
